IX. Organisational Structure

Activities undertaken during the year 2018-2019

1. UJJAWALA Project

We have been implementing the Ujjawala project to combat trafficking in women and children, rescue & rehabilitation of survivors of trafficking, re-integration & repatriation of survivors of trafficking since July 2008 at Moreh (border town-neighbouring with Myanmar), Tengoupal District of Manipur. The project is supported by the Ministry of Women & Child Development, Govt. of India, New Delhi under the scheme UJJAWALA - A Comprehensive Scheme for Prevention of Trafficking and Rescue, Rehabilitation and Re-integration of victims of Trafficking for Commercial Sexual Exploitation through the Department of Social Welfare, Govt. of Manipur

Handing over of Gift presented by the Nepalese Embassy to Shri N Biren Hon'ble CM Manipur through the repatriation team.

We set up the Epamiamdam Ujjawala Home at Moreh under the project -providing rehabilitation, re-integration to their families or repatriation to their country of origin to 50 survivors of human trafficking and vulnerable women/girls who were rescued /referred by the Police, CVGs, CWCs, Childlines, other civil society organisations. Our Social Workers, Clinical Psychologist and vocational instructors helps them in rehabilitation through counselling and vocational trainings for economic rehabilitation and re-integrated them to their family. General and mental health care are also done by our doctor and psychiatrist. We also assisted them in legal matters and provided financial assistance for economic empowerment. Regular and non-formal education are also given to young women and girls

Mrs M Reneka Devi Secretary CDAC Manipur speaking at an Awareness Programme on Human Trafficking

As a preventive measure we formed 3 Community Vigilance Groups (CVGs) at Kambang Khunou, Khongkhag and Lamlong Khunou villages of the district to keep vigil on suspected trafficking activities in their localities. Our Social Workers and members of the CVGs are meeting once in a month at their locality to review the situation. We had also conducted two sensitization workshops on trafficking for various stakeholders at Saivom Village and Machi Village and attended by women, youths, police, NGOs etc. At our Half-Way Home, 8 inmates who are ready for re-integration and working outside the Ujjawala Home are staying. We had also set up a Transit Centre at Wangjing

We have also been working in closely with Child Welfare Committees, Child Lines, Moreh Police and Social Welfare Department. Our volunteers, staffs and CVGs members conducted Rescue Operations from time to time with the help of local Police. We had rescued 45 (forty five) Nepalese women/girls from Moreh and repatriated to Nepal during February, 2019 with the help of Department of Social Welfare, Manipur and Embassy of Nepal, New Delhi.

L. Trinity Senior Citizen's Home

Mrs.K.Schadani Deel,DSWO,Tengnoupal, her staffs alongwith our staffs & inmates

We had been implementing a Multi-Service Centre Older Persons at Toubul Village, Bishnupur,Manipur since February, 2002 with the support from the Ministry of Social Justice & Empowerment,Govt.of India, New Delhi under their *Integrated Programmes for Older Persons*.

We have converted it into Senior Citizen's Home from 1/4/2018 as per Ministry's instruction under revised guideline of *Integrated Programme for Senior Citizen's (IPSc)* at Moreh,Tengnoupal District,Manipur. The home is providing shelter to 25 abandoned and homeless women senior citizens of Tengnoupal District.

At our home we provides recreational facilities like library, messages by pastors or religious leaders,health talks, traditional story telling like sat-sanga,kathas on ramayana/mahabharata,meitei puya, bashak, khongjom parva,watching of TV,screening of video films etc. Routine counselling by counsellor/social workers, health check-up by part-time doctor and nursing staffs are also done. Light physical exercise and yoga are also arranged to keep inmates fit. They are also taking out for site seeing, excursion to different historical importance places,temples and religious congregations are also arranged from time to time. Vocational trainings on cane & bamboo crafts,agarbati,papad making,paper bag making etc. are also imparted for using their leisure time in productive works and produces paper bags,agarbati, papad,cane and bamboo items etc. These items has high demand for local consumption for its low price and good quality. Thus an inmate can earned extra income at the home while spending time with their peers.

We also observed *International Day of Older Persons* every year on 1st October at the home. Our staffs have also attended training courses of various level conducted by RRTC, Wangbal and NISD, New Delhi from time to time. Our home was inspected and monitored by DSWO,Tengnoupal Office and RRTC,Wangbal every now & then

*5. New Light Centre for Mental Health & Rehabilitation
(Half-Way Home for Psycho-Social Rehabilitation of Mentally Ill Persons)*

Mr. Ravi Kumar of NC-M.D. Alwar with staffs and inmates during his visit

We have been engaging in mental health promotion programmes in rural areas of Thoubal and Tengnoupai district since 2004 by creating awareness among rural masses about the traditional myths in mental illness, realities of mental illness and it's treatment. With this experience, we felt the need for a rehabilitation centre and thus started **New Light Centre for Mental Health & Rehabilitation (Half-Way Home for Psycho-Social Rehabilitation of Mentally Ill Persons)** at Wangjing with own fund of the organisation. Initially the Centre provides counselling and vocational guidance to the controlled & treated mentally ill persons by a counsellor and a visiting psychiatrist.

The Department of Empowerment of Persons with Disabilities (Divyangjan) Ministry of Social Justice & Empowerment, Government of India has acknowledged the works of the organisation in promotion of mental health and sanctioned grant-in-aid from February, 2015 under Deendayal Disabilities Rehabilitation Scheme (DDRS). Our centre is registered under section 49 of the Rights of Persons with Disabilities Act, 2016 and now has now the service of Clinical Psychologist, Occupational Therapist, Psychiatrist, General Physician, nursing care, vocational

trainings of carpentry, tailoring, mat making, agarbati making etc. and providing psycho-social rehabilitation to 11 males and 15 women/girls who are treated & controlled mentally ill persons. We admitted inmates recommended by Psychiatrist, Medical Officers, Pradhans, Local Clubs, Police etc. Inmates are counselled by Clinical Psychiatrist, Occupational Therapist and given treatment by Psychiatrist as part of rehabilitation ☐

4. Epamlamdiam Open Shelter for Girls

We started the project **Epamlamdiam Open Shelter for Girls** at Moreh, Tengnoupal District, Manipur with the financial support from the Ministry of Women & Child Development, Govt. of India, New Delhi through the Department of Social Welfare, Govt. of Manipur under the *Integrated Child Protection Scheme (ICPS)*. The objective of the shelter is to provide an opportunity for the increasing number of vulnerable children in urban areas to be protected from abuse and neglect on the street and provide them access to alternatives. **CDAC's Epamlamdiam Open Shelter for Girls** caters to all children in need of care and protection particularly beggars, street and working children, rag pickers, small vendors, street performers, orphaned, deserted, trafficked and run-away children, children of migrant population and any other vulnerable group of children.

Activities undertaken at the Shelter are ;

- i) Identify such children within the geographical area/location of the Open Shelters
- ii) Use innovative child friendly approaches and outreach activities to make contact with them.
- iii) Established 3 Contact Points at Pallel, Tengnoupal and Machi Village
- iv) Use techniques like music, drama, story-telling, outings and other child friendly methodologies to attract and sustain the interest of the children.
- v) Once children start participating, it introduce age-appropriate education, access to vocational training, recreation, bridge education, linkages to the National Open School Programme, health care, counselling, etc.
- vi) In order to provide useful vocational training to children, every Open Shelter should tie up with NGOs and ITIs to either provide vocational training facilities by sending the children to such NGOs or ITIs or provide such facilities within the Open Shelter.
- vii) Provide accessibility to girl of all age groups up to 18 years of age

5. Photography Training Centre

We started the project in the year 2000 with the grant-in-aid from the Ministry of Social Justice & Empowerment, Govt. of India, New Delhi under the *Scheme of Financial Assistance to Voluntary Orgn. Working for the Welfare of OBCs* and continue to run. The main objective of the one year long training course is to impart skill training of photography to unemployed rural youths of OBC community so that they may be in a position to get a job or self-employed. The trainees have been imparting techniques of photography like indoor & outdoor photography, digital photography, dark-room techniques and application of computer in photography by the experienced instructors. They are also provided training materials like films, foto papers, chemicals etc. and monthly stipend. Admission process for new batch is starts during March of every year by publishing advertisement in local dailies. The course started by 1st April and concluded in 31st March every year. The intake capacity of the centre is 30 trainees. □

6. Vocational Training-cum-Production Centre

i) Handloom Unit : We started the handloom weaving unit with the aims of socio-economic upliftment of rural poor women through handloom production thereby increasing the handloom products. About 50 rural poor women/marginal labours are given basic and advanced skill training on handloom weaving (fly shuttle looms) and designing for three months by our trainers at the Centre. We also trained them on marketing techniques and financial management. The trained women are provided raw materials and produced variety of handloom products ranging from phanek, inaphee, bedsheel, chingphee, towel etc. at the Centre. Raw materials are also provided to those trained women who wish to work from their home. All the finished products are collected at the centre and marketed.

ii) Embroidery & Tailoring Unit : We have been conducting 12 months Embroidery, Tailoring & Cutting training for Other Backward Classes (OBCs) women, girls and youths since last many years. The main objective of the programme is to impart skill development training to girls, women and youths belonging to other backward classes (OBCs) so that they can take up the trade for self-employment and for employment after the training for their livelihood. During this year the programme benefitted about 50 girls, women and youths from Moreh areas of Tengenoual District. They were imparted skill training on embroidery, tailoring and cutting trades by the trained and experienced trainers of the Centre. We have been conducting the training since last many years with a view to impart skill upgradation training to rural poor Other Backward Classes (OBCs) women/girls & youths so as to enable them to self-employed thereby increasing their earning capacity. At the Centre, trainees were allowed to work together to earn a regular income by producing variety of embroidered and readymade items once their training is completed

7. Integrated Rehabilitation Centre for Addicts

We set up an Integrated Rehabilitation Centre for Addicts (IRCA) at Moreh, Tengenoual District to rehabilitate alcoholics and other substance abused youths in view of the increasing numbers of drug addiction among youths of the area. The Centre provides rehabilitation service to 15 youths who are addicted to alcohols, SP Tables, N-10 tablets and heroine No.4 by way of detoxification programme under the supervision of Doctors, regular counselling by trained Counsellor and Yoga, meditation and other physical exercise under the guidance of trained instructors

Counselling given to a youth

8. Livestock Farming for Income Generation of Rural & Tribal Women

We have been engaging in Poultry/ Duckery and Piggery farming since the year 1998 with the objective of encouraging self-employment among rural and tribal women through livestock farming thereby increasing of meat products in the market and improving income of poor rural and tribal women. During this year we identified 150 poor women from Wangjing of Thoubal District, Tengenoual and Moreh villages from Tengenoual District for the programme. The identified women were given training on poultry and piggery farming by experts from District Veterinary office and successful farmers at Wangjing, Tengenoual and Moreh Villages. Chicks, Duckling and Piglets were distributed to identified and trained women beneficiaries in phase manner. We supplied 5 (five) piglets and 100 chicks/ Duckling each to women beneficiaries and also supported 50% cost of feeds and concentrates. Each beneficiaries has to returned 50 % grown pigs and hens to us. We sells returned pigs and hen/ducks in the market. The sales proceeds from the poultry and livestock is use to finance organisation's project and programmes. In this way the programme has been helping many poor women in their income generation and socio-economic upliftment and it has also been the important income earning unit of organisation's revenue since it's inception

NGO Networking & Training/Conference/Seminar Attended

We have been a member of All Manipur NGOs Forum, Imphal and Thoubal District NGOs Forum, Thoubal. We are also a member of Confederation of NGOs of Rural India (CNRI), New Delhi, India Network for Combating Trafficking (INCT), New Delhi and State Level Anti-Trafficking Committee.
